Arranger's Note

Tunes for Two is a collection of thirty well-known pieces arranged as instrumental duets. These pieces can be used in a variety of different ways – they might serve as a useful introduction to ensemble playing; they could be used as sight-reading pieces during a music lesson; or they could be enjoyed simply as fun pieces at home or school. There is no distinction between 'pupil' and 'teacher' parts – players should feel free to swop lines!

The aim of this book is to provide duet material for players of approximately Grades 1 to 3 standard, starting with simpler pieces and progressing towards more challenging arrangements at the end of the book. I hope that *Tunes for Two* will be enjoyed by players of all ages and abilities.
